

READING COMPREHENSION

Read the text and answer the following questions.

MY ROBOT FRIEND

My name is Alex. I am 9 years old.

I live in the year 3000!

This morning, my robot friend, Zara, wakes me up.

"Good morning, Alex!" says Zara.

I say "Good morning, Zara!

What day is it?" Zara says "It is Monday!"

I eat breakfast. Then I go to school in my flying car! At school, I see my teacher. She is from planet Mars! "Hello, Teacher Nova!" I say.

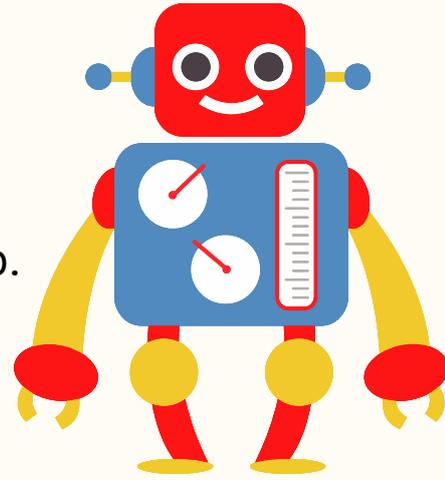

She says "Hello, Alex! Welcome to Space School!"

At break time, I meet my friend, Ben. He has a pet alien! The alien is green and small. "Hi, Ben! Hi, Alien!" I say. Ben says "Hi, Alex! My alien's name is Zippy!" Zippy says "Beep beep!" We all laugh.

In the afternoon, I go to the moon with my family. We visit my uncle. He works at Moon Station 5. "Good afternoon, Uncle Tom!" I say. He says "Good afternoon, Alex! Do you like the moon?" I say "Yes! It's amazing!"

At night, I look at Earth from my window. It is beautiful! I say "Good night, Zara!" Zara says "Good night, Alex! Sweet dreams!"

I love the future!
